RE: Letter of Reference, Universal Silo Services Inc. Mr. Mickey Csiszer

To whom it may concern,

Our Plant has used, and continues to use the services of Mr. Mickey Csiszer for 2 years now. He was referred and recommended to us by our Midland plant.

Services performed include interior cleaning of indoor and outdoor bulk flour silos.

To date, these services have been performed in a safe and satisfactory manner.

I do not hesitate to recommend his services for your Silo Cleaning requirements.
